**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK  
PROBATION OFFICE**

**MEMORANDUM**

**TO:** Honorable Denny Chin  
U.S. District Judge

**FROM:** Lyvia Y. Ramos  
U.S. Probation Officer

**RE:** Justin White  
07 CR 848-01(DC)

**DATE:** April 25, 2008

Reference is made to the above-captioned defendant who pleaded guilty to Possession of Child Pornography, before Your Honor on February 29, 2008. Sentencing for this matter is presently scheduled for June 2, 2008.

Because this offense involved sexual deviancy, we are requesting that the defendant undergo a psychosexual evaluation. The use of psychosexual evaluations to determine the treatment needs of defendants convicted of sex offenses and risk assessment to the community is consistent with the Probation Department's historical reliance on the expertise of mental health professionals. In relation, we believe that a psychosexual evaluation would prove beneficial to Your Honor in fashioning an appropriate sentence.

Accordingly, we are respectfully requesting that Your Honor order that a psychosexual evaluation be performed by Kenneth J Lau, LCSW, who has scheduled the evaluation for June 12, 2008, at 1:30. As the defendant is under home confinement, and may not have the means to travel to Mr. Lau's office in Hartsdale, New York, the evaluation will be conducted in an office at the Probation Department. This evaluation is authorized pursuant to 18 USC 3552(c) and payment for it is provided under 18 USC 3672.

If Your Honor grants permission for the evaluation, we would also request a four-week adjournment of sentencing in order to allow for the evaluation to be completed and still comply with the disclosure requirements of Rule 32. Mr. Lau anticipates providing his report two weeks after the scheduled meeting. The Government and defense counsel have been advised that we are requesting a psychosexual evaluation and adjournment, and neither party has an objection to these requests.
